

Fools Brothers

Female magicians event. Presenter: director Robert Kaldy-Karo (3rd f. left)

CABARET SNITZEL

Brothers Michael und Andreas Swatosch, inspired by their friendship to Jango Edwards, concerned themselves a great deal with clownery and the art of magic. Jango was one of the co-initiators of a world-wide revolution in the art of clownery: Leave the circus and your red nose behind – this is the only way to get rid of the dusty-cliché public image of clownery.

During these shows, in collaboration with magicians and members of the audience, boundaries are pushed, and truly unusual things are tested.

FOOLS BROTHERS

Michael and Andreas Sawotsch both worked separately with Jango Edwards on their solo performances. Spontaneously, they decided to take the next step and opted for a duo-performance instead. Jango Edwards proposed the

name “Fools Brothers”, and henceforth their “On a Magical Mystery Detour”-program was born.
